

Tractor Recommendation Chart

- Notes**
- (1) Use Agri 20W-40 if engine is lightly loaded.
 - (2) Case LSD additive required at every change.
 - (3) Refer to owners manual or dealer.
 - (4) For high temperature or heavy duty operation, use Agri 20W-40.
 - (5) For other tractor brand/models call EnviroLube Technical Support on 1300 723 190.

Tractor Brand/Model (5)	Engine (Crankcase)	Transmission (Drive Housing)	Differential	Final Drives	Hydraulics
CaseIH
